Dr. Gabor Magyarfalvi
Chair of the Steering Committee
International Olympiad in Chemistry

Reference: ICHO-SC-2016-110

Dear Dr. Magyarfalvi,

In reference to your letter of February 4, 2016, let me inform you that despite the short notice, the Ministry of Education and Science of Georgia would like to confirm its willingness to host the International Chemistry Olympiad (IChO) in conformity with the IChO regulations, provided that certain exceptions relating to organization of the event are accepted from your side.

Please, accept the assurances of my highest consideration.

Sincerely,

Tamar Sanikidze
