Dear Mr. Magyarfalvi,

the Slovak Republic feels honoured to co-organize the jubilee 50th International Chemistry Olympiad IChO together with the Czech Republic. IChO will be held in Bratislava and Prague in July 2018. In the Slovak Republic the institutions involved in organization will be the Comenius University in Bratislava and the Ministry of Education, Science, Research and Sport in the Slovak Republic.

I would like to take the opportunity to confirm our sincere interest in providing auspices of the events held in Bratislava and hosting the participants of the Olympiad – students, mentors and observers.

Should you have any concerns, questions or requirements concerning this matter, the Ministry of Education, Science, Research and Sport in the Slovak Republic will be fully at your disposal.

Sincerely Yours

Assistant Professor
Mr. Gábor Magyarfalvi
Chair, Steering Committee of International Chemistry Olympiad
